

Thoughts about Population Projections

Applied Demography Conference
January 9, 2014

Qian Cai, University of Virginia
Rebecca Tippett, University of North Carolina

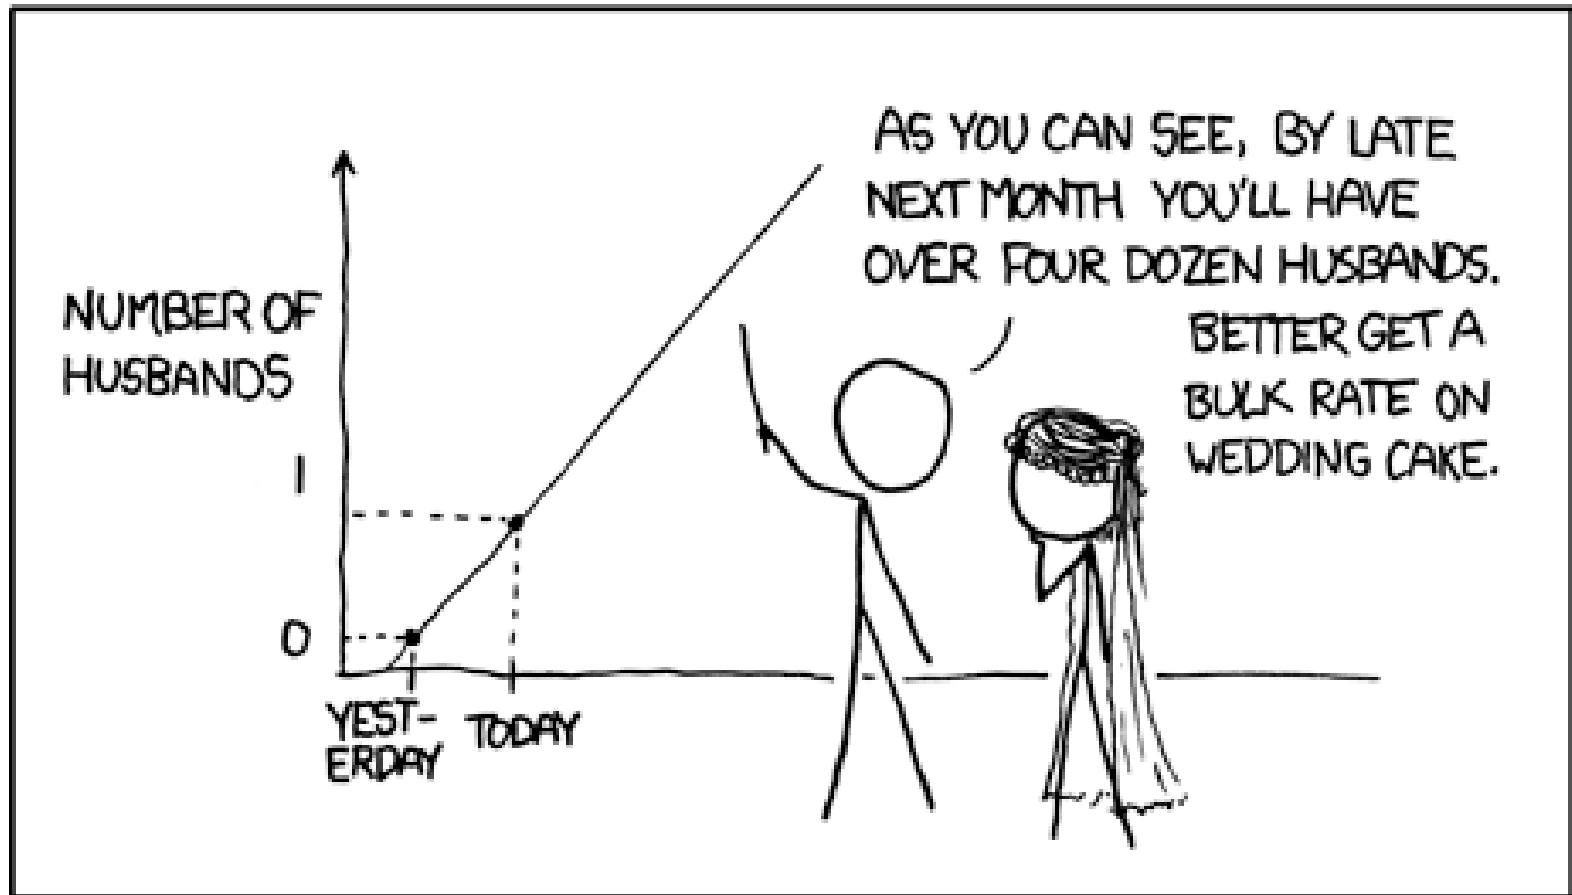

Projection Methodologies

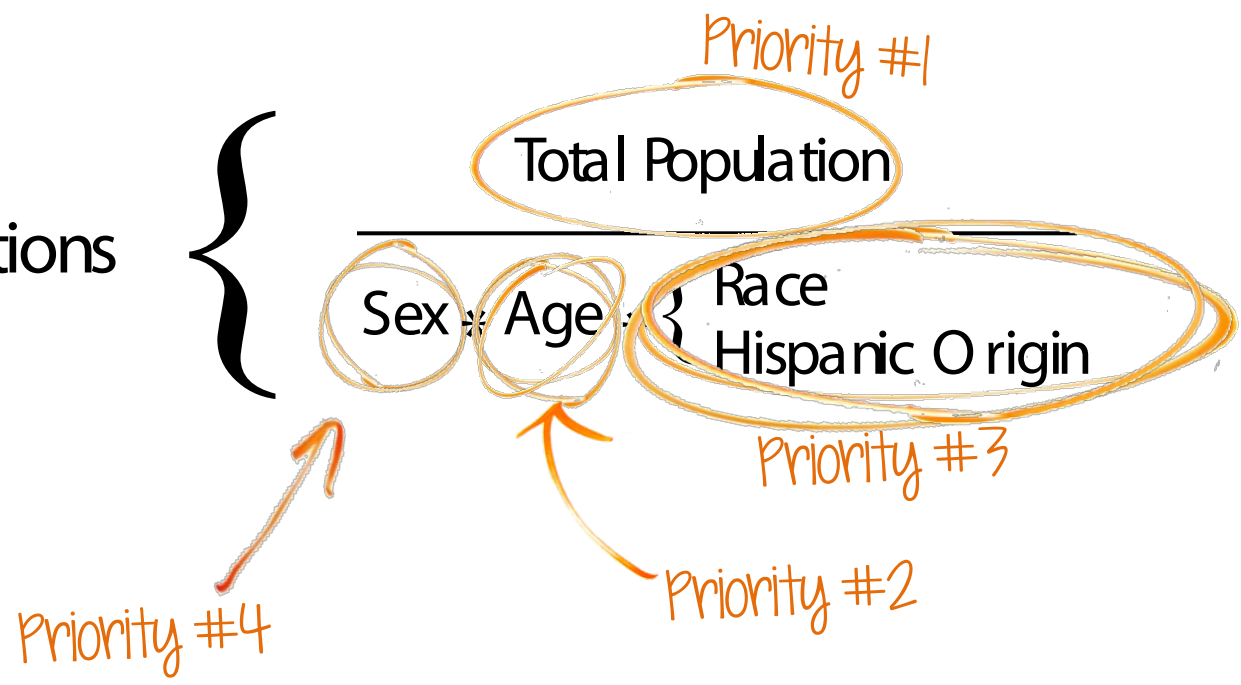

"Looking Into the Past: Thomas Circle, Washington, DC" by Jason E. Powell

Accuracy & Plausibility

MY HOBBY: EXTRAPOLATING

Population Projections

Our Approach

1. is guided by statistical and demographic theories
2. is straightforward, practical, and easy to implement
3. produces reasonable results
