Timeline
Key Communications Phases

• Motivation Phase
  • March 2020 – April 2020
  • Review and update plans to increase activities aimed at encouraging households to respond
  • Implement Census Day activities
  • Encourage households to respond quickly to the census.
  • Ensure that the committee is using the right activities in the right place and adjust as needed
Timeline
Key Communications Phases

• Reminder Phase

• May – July 2020
  • Encourage every household that did not respond that they still can respond or wait for the census taker to knock on their door.
  • Continue to meet and review the 2020 response rates and implement your plans to encourage cooperation.
SCCCs/CCCs Overview

• The Importance of CCCs

  • CCC is a committee established by local governments and community leaders or organizations to increase awareness and motivate residents to respond to the 2020 Census

  • CCCs are “census ambassador” that play an integral part in the 2020 Census
Forming CCCs

• CCC Structure
  • Government SCCCs/CCCs should include members with experience. Below are suggested areas:
    • Government
    • Workforce development
    • Faith-based community
    • Education
    • Media
    • Community organizations
    • Business
CCC formation

- **Question 1:** What are the demographics of your community? (Demographics include, education, income, age, gender, etc)

- **Question 2:** How do these demographics present a challenge to a successful census?
Forming CCCs

• Local Government CCCs
  • Local Government CCCs are formed by the highest elected official in a local government, regardless of size. This includes:
    • Local governments in cities, counties, towns and villages
  • Charged with developing and implementing a census awareness campaign that motivates EVERY household to respond to the 2020 Census in a timely manner
Forming CCCs

- Community CCCs
  - Formed in specific low response score areas
  - Formed to fill a gap in areas where there is no government-sponsored SCCC/CCC
  - Includes representation from the following suggested areas of the community:
    - Business leaders
    - Educators
    - Media representatives
    - Organization leaders
    - Community-based organization leaders
    - Faith Based Organizations
Forming CCCs

• Key Points About the SCCC/CCC Structure

  • CCCs should be all-inclusive, addressing the various racial, ethnic, cultural and geographic considerations of the community

  • Census Bureau staff serve as liaisons and information resources for SCCC/CCC

  • CCC operations are governed by the highest elected official or community leader
Forming CCCs

• Government Subcommittee – Focus
  • Represents local government in all programs between the Census Bureau, such as new construction programs and others
  • Ensures that elected officials are aware of and are included in all committee activities

• Government Subcommittee – Composition
  • Elected officials, city planners, demographers, cartographers and municipal employees
Forming SCCCs/CCC

- Media Subcommittee – Focus
  - Assist the CCC in communicating census message to ALL residents
  - Facilitates communication of CCC messages through multiple channels, such as ethnic media, local newsletters, electronic bulletin boards, bloggers, local Websites, and all any social media platforms.

- Media Subcommittee – Composition
  - Local media representatives, communication directors, publishers and editors of neighborhood newspapers, and ethnic media representatives
Planning Your Work and Working Your Plan

• Components of Work Plan
  • Overview – Official Next Steps
  • Committee Structure
    • Identify the name of the CCC
    • Describe the structure of the committee
    • Develop strategies for reaching their objectives
  • Timeline
    • Develop broad timetable of events and activities with dates
Planning Your Work and Working Your Plan

• Identifying Hard-to-Count Areas and Populations
  • CCC work plan should utilize the local knowledge of members and data of the makeup of the community
  • Data tools can provide assistance to the committee to identify predicted areas of low response at the community level
Hard to Count Outreach Plan Activity

• Break out into groups
• Discuss potential barriers that exist in each group
• Brainstorm potential outreach ideas/messaging that could help increase participation
• Each group share out one idea
Breakout Groups

• Youth, 0 – 5
• Latinos
• African American
• Asian
• Veterans
• People with Disabilities

• Homeless community
• Multi-family housing
• Immigrant/Refugee
• College students
ROAM Live-Demo
Chapter 5: Planning Your Work and Working Your Plan: Using ROAM

• ROAM
  • LRS = predicted level of Census self nonresponse at the tract level
  • Values from 0-100
  • For example,
    If LRS= 25, we are estimating that 25% of households in that tract will not self-respond to the Census
Chapter 5: Planning Your Work and Working Your Plan: Using ROAM

• LRS Limitations/cautions
  • Only considered mail self-response – 2020 Census will offer internet, phone and mail options to self-respond
  • LRS are not calculated for all census tracts (-1)
