

Texas Senate District 11, PLANS172

Counties included wholly or partially in Senate District 11: Brazoria, Galveston, and Harris.

Between 2010 and 2020, all counties in Senate District 11 are projected to grow in population size, with Harris County driving much of this growth. During this time period, all race/ethnicity groups are projected to increase in population size.

See Population Change [Maps](#) and [Tables](#) for additional information.
