

Texas Senate District 17, PLANS172

Counties included wholly or partially in Senate District 17: Brazoria, Fort Bend, and Harris.

Between 2010 and 2020, all counties in Senate District 17 are projected to increase in population size, with Harris County driving much of this growth. During this time, all race/ethnicity groups are projected to increase in population size.

See Population Change [Maps](#) and [Tables](#) for additional information.
