

Texas Senate District 23, PLANS172

Counties included wholly or partially in Senate District 23: Dallas County.

Between 2010 and 2020, Dallas County is projected to grow by over 300,000, with Hispanics, non-Hispanic (NH) Blacks, NH Asians, and NH Other population groups driving the bulk of this growth. NH Whites are projected to decrease in population size during this time period.

See Population Change [Maps](#) and [Tables](#) for additional information.
